

P10. “Clinic without Walls” (Participating in or using as a resource)

Therapists

- I provide therapy for 2 ACPC clients & receive consultation – this has been very helpful for my professional development & has helped my work with these clients
- I’m a therapist in the CWW – invaluable experience – amazing consultation
- I participate as a therapist and use as a referral resource – the CWW has made a big difference to me personally, the training/supervision is high quality
- Currently - I am a CWW therapist
- I have a CWW client in my practice
- I used 4 years ago – Really value this program!
- I was a clinic therapist
- This was invaluable to me when beginning my practice

Consultants

- I’m a consultant (x5)
- [I] am a supervisor - lot’s of fun
- Supervisor – I think it is critical that we have low-fee therapy and supervision / consultation available for clinicians who want to begin to work analytically
- I enjoy supervising a therapist
- Valuable contribution – I enjoyed serving as a consultant
- Miss the consulting opportunity

Consult Group

- I am really liking the new consultants group
- Have presented at consult group with a therapist & attended other consultations – This is a lovely forum

Refer clients to

- Use for referrals (x7)
- I refer low income clients there
- I’ve referred a couple of people over the years
- What a great learning opportunity as well as resource for my clients
- I like to make referrals [to the CWW]
- I have referred clients

Donate to and/or value this service to the community

- Donated to but not participated in
- Excellent service for both patients and therapists in training
- I’m always impressed; so many people participate and it offers so much to so many
- I like having it available and think it is a great service
- Think it is a great resource
- I haven’t participated except for financial support
- Highly valuable service for all who are involved
- I’ve supported it financially & want it available as a resource to clients
- Some day, when I am not the sole income provider in my family I will participate

- Have recommended CWW to others
- Wonderful concept – Hope to participate more
- I think this is a great resource for everyone – clients, clinicians, consultants
- I have participated in the past but not currently – this is a very worthwhile project
– I am very supportive
- Great resource
- Great idea
