

P1. Alliance Membership Directory

How do you use? / Comments / Suggestions

- To make referrals (repeated 20-30 times)
- To contact colleagues (repeated frequently)
- To check for addresses & contact information (repeated frequently)
- To seek consultation
- For networking
- For social purposes
- For locating other professionals with analytic interests
- I use it all the time: networking, referrals, connecting with colleagues
- To get addresses & phone #'s & emails addresses
- To look up someone to mail them something of interest
- I now live [out of town]. The directory helps me stay connected
- I have referred to the mission statement & bylaws in it
- I use it at least once a week, often daily – for Alliance business, referrals, etc.
- When I worked for the ACPC Internship program, I used it constantly to think about supervisor and mentor possibilities
- Use it often in my new role as Alliance Arts & Psych Chair
- For committee work

- It would be helpful, if there were more email addresses
- Would appreciate additional lists by neighborhood & practice population for referral ease
- Could be on-line w/ password protected access

- It is a very attractive publication
- Great reference
- Valuable
- Useful

Additional feedback from open-ended questions
