

P4. “Potential Space” (Fall shared visual & performing arts event)

How do you use? / Comments / Suggestions

- Always enjoyable & interesting
- I like its offering a place for creative life
- I enjoy the collegial aspect, as well as, the arts and performance
- It’s fun! And great to see the “other” creative side of our members
- I love the collegial aspect, as well as, the arts and musical performance, etc.
- It’s a good social evening & a way to get to know new aspects of old and new faces
- Great event – a pleasure to mingle with colleagues and see them at their creative best
- Enjoyment - Opportunity for expression & sharing
- This year felt really wonderful
- I like the Potential Space event as a community gathering place & for seeing everyone’s other talents
- Enjoy very much – social connections good
- I enjoy being able to share my art with colleagues
- Really enjoy opportunity to share in others’ creations
- I have read and shown my paintings for the last four years
- I have been a participant and patron
- I am not creative in an artistic way
- Enjoy this the most
- Love it!

- It’s a great idea but seems clumsy
- Not fun – people using alcohol & not being present

- Never attended?
- I haven’t attended I the last two years – conflicts on calendar
- Interest – no time at present
- Have not used, so cannot comment on – other than to be glad to see the arts being honored in this way
- Like the idea but haven’t participated in, as yet
- Time and transportation to the venue have made attendance out of reach
- Love the idea. Have been out of town every year so far. Argh! Someday.
- I had out-of-town conflicts the last two years but this is a fine event
- I haven’t been but would like to
- I hope to attend some year
- Maybe next year!

- Could be a \$ maker, if we invited the public too?

Additional feedback from open-ended questions

- Q4. Potential Space – more visual art with continued performance
