The Northwest Alliance for Psychoanalytic Study presents the fourteenth annual Potential Space, a forum for creative encounters between art and psychoanalysis—and between the artists in wide-ranging media who make up our community.

Please join us for an evening of visual art and performances by Alliance members and others with close ties to our community.

Recommended donation is \$20.

Food as Art

Alliance foodies! You will now have a chance to show your food art and curate a menu for our event!

This year Carol Poole has designed a menu that features organic, locally sourced fruits, roasted veggies, specialty cheeses, meats, and homemade bread. Locally sourced desserts will also be served as well as wine and nonalcoholic beverages.
