The Northwest Alliance for Psychoanalytic Study is proud to sponsor the fourteenth annual Potential Space event, a forum for encounters between art and psychoanalysis, and between the creative individuals who make up our community. Alliance artists are welcome to exhibit, read, or perform their art.

If you are interested in being an artist participant, please send information via email to Tori Allen at toriallen@icloud.com.

Proposals will be accepted on a first-come, first-served basis.

Deadline for submission is September 1, 2018.

Please include a brief description of what you would like to present: visual art, performance, reading, dance, or ???. Please be specific regarding size, approximate weight of visual pieces, and space needs for visual pieces. If you intend to read or perform, please indicate time estimate, up to five minutes for readings, and up to ten minutes for musical or dance performances.

Questions? Contact Tori Allen, toriallen@icloud.com, 206-284-4321.
